

PRESS RELEASE

1st July 2009

A Day in the Life of a Carer

Would you like the opportunity to show the decision-makers how challenging a Carer's life can be? Well the Carers' Challenge could be your opportunity!

Carers Bucks is collecting the names of Carers who would be willing have a senior manager from the County Council or the PCT spend the day with them and experience the life of a Carer. The Carers' Challenge has happened in other areas with the result that statutory agencies have become more involved with Carers' issues.

If there is enough interest from Carers invitations will be sent to senior managers and councillors to rise to the challenge!

To volunteer for the Challenge or for further details contact Connie Sharp on 01296 392711; email connie.sharp@carersbucks.org
